Destination Houston

WEST ALABAMA STREET

The intersection of West Alabama and 29th Street in the West Loop neighborhood is a charming corner of the city. The nearby downtown residential area is quite vibrant in feeling, and so are these stylish, bright, European-influenced shops.

One-stop-shopping heaven, this high-end place is geared toward bedroom, bathroom, dining and kitchen. The series of large rooms is stocked beautifully and distinctly: There are towels of every sort (scalloped edges, piped edges), table linens by Sfera and Le Jacquard Français, shelves of Juliska glass and cashmere robes. Plus, lots of Blanc d'Ivoire, a midprice line of Provençal furniture and bedding. My only gripe is there isn't an outpost in New York!
